

2015 Fall

PROGRAM GUIDE

2301 Fruitvale Blvd. • Yakima, WA 98902 • 509-575-6020 • yakimaparks.com

Where did the summer go?

People always say that time goes faster as you get older and I have to agree. One of my goals this summer was to play golf at least one time per week and I was very close to doing that—even when it was so hot. The staff at Fisher Park Golf Course keep the course in great shape and provide good customer service. We purchased two used golf carts for our golfers to use, helping those with mobility issues keep active and continue enjoying the game. The new parking lot added 13 more spaces—a nice addition to the course. We have received many positive comments. Thanks again to our Streets Division for the great asphalt work.

The Randall Park Improvement project continues to move forward.

- We have been notified by the State of Washington Recreation and Conservation Office that we received our grant of \$500,000 for the park improvements. We will soon be working on the new parking lots, restroom and the improvements to the walkways.
- The Downtown Rotary playground is done and ready for kids to enjoy. Over 50 Rotary volunteers, coordinated by Don Baumbach, put the playground together on July 25th. It was a great day—the weather was perfect, the volunteers were enthusiastic and I even got to mix up a few batches of concrete. Special thanks to past Downtown Rotary President, Dr. John Adkison and current Downtown Rotary President, Bob DiPietro for their vision and leadership on this project. I also want to thank Park Maintenance staff and the Streets Division staff for all of their support in getting everything ready for the volunteer build and the finish work to get it ready for safe play.
- Sunrise Rotary has agreed to build one or possibly two picnic shelters near the pond. Work on the picnic shelters should begin in the fall.
- Southwest Rotary has committed to replacing the current basketball court. That part of the project is scheduled to begin in March of 2016.
- The Downtown Lion's Club donated \$25,000 for the replacement of the old wooden bridge that was removed in 2010 due to deterioration. We hope to be able to construct the new bridge in the spring of 2016.

I always feel like my letter only scratches the surface of all the great things going on in your parks. I cannot express my gratitude enough for all of our amazing partners. We can do so much more because of all of you. If you have any questions or concerns, please contact me at Kenneth.Wilkinson@YakimaWa.gov or 509-576-6416. I always love the opportunity to talk with park users. You are why we are here.

Refund Policy

Yakima Parks and Recreation reserves the right to cancel, reschedule or combine activities as needed.

- If Parks and Recreation cancels an activity, participants will be notified by phone and a full refund will automatically be issued.
- If a Participant requests a refund, the request must be made at least three days before the activity date and include the registration receipt. Refunds, minus a \$5 processing fee, are issued from the City Treasurer's Office within 30 days. No refund of less than \$5 will be made.
- Refunds for Visa and MasterCard transactions will be credited to the same card used in the original transaction.

Resident discount: Because people living within Yakima's city limits support parks and recreation services through their city taxes, the City offers its residents a discount on selected recreational programs. People living outside the city limits are encouraged to enjoy these activities and services.

Registration Deadline: two days prior to class or activity unless otherwise specified. Each activity has a minimum enrollment and is subject to cancellation if that enrollment is not met. Please register early.

Leaf-A-Legacy

Help the Yakima Parks and Recreation Division to continue providing park and recreation programs, facilities and services to our community. Our "Leaf-A-Legacy" program allows individuals, groups and organizations to help fund the purchase of trees, shrubs and perennials for your parks. Donations can be made to the Yakima Parks and Recreation Division specifically for this purpose—have trees planted in memory of a loved one, purchase perennials for a designated park, etc.

Please consider the Parks and Recreation Division in your 2015 donations.
